About Vivio

We are headquartered in San Francisco, US with first EU office opened in Szczecin, Poland (in lovely, old-town part of the city). Founded and run by a seasoned and talented team with backgrounds in mobile and web game and application development for companies such as EA, Namco, Square Enix, I-play, Nokia, Sony Pictures, Disney, Eidos,

BMW, Unilever and more. Passionate about inventing new experiences and cooking some cool stuff for Facebook, iPhone and more. Studio that on January 2009 acquired two talented shops – Capricom Interactive and Capricom Mobile.
